**Vacancies in Project Positions**

Indian Institute of Information Technology Design and Manufacturing, Kancheepuram is an Institution of National Importance established in 2007 by the Ministry of Human Resource Development, Government of India and is located at outskirts of Chennai. It is a Centre of Excellence for pursuing Design and Manufacturing oriented Engineering Education and Research and for promoting competitive advantage of Indian products in global markets.

IIITDM Kancheepuram is presently offering undergraduate, postgraduate, dual-degree programmes in the areas of Computer, Electronics, Mechanical Engineering and inter-disciplinary Ph.D programmes in core and applied areas of engineering. It functions with the vision to groom engineers with design and manufacturing skills. The institute gives significant amount of emphasis for practice courses and theory concepts are also explored along with the relevant laboratory course.

IIITDM Kancheepuram's The Teaching Learning Centre (TLC) for Design and Manufacturing Education is one of the select TLCs around the country funded by the MHRD under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT). The centre started functioning in December 2015, and is devoted to the design, development, and dissemination of affordable and innovative hands-on laboratory education and e-learning modules for design and manufacturing, for adoption by engineering universities/colleges and polytechnics in India.

The Teaching Learning Centre of IIITDM Kancheepuram invites applications for the following temporary positions purely on **contract basis** for:
